

The Paupackan Lake Community Connection is composed of residents of the Paupackan Lake community. Whether you make this your full time home or not, we encourage you to become involved in our mission of increasing the community spirit and to become involved in making our community an even friendlier, safer and more beautiful place of live. To date the group has gone to great efforts to give our community a much-needed facelift and to also provide opportunities in which we can get together to know each other better.

On January 18th and 19th we will be having an OPEN HOUSE at the lower level of our office building from 3:00pm to 5:30 pm, we hope everyone will come and see what has been done and give us your input on what you would like to see in the future. We hope to have activities for children, teens and adults.

COME ONE AND ALL AND MEET YOUR NEIGHBORS

Thank you very much,

Paupackan Lake Community Connection
